Gifts for 2022:

It is rare in the Bible that one is invited to challenge God. This makes the following scripture passage even more remarkable. The prophet Malachi proclaims the Word of the Lord, when he writes, "Bring the whole tithe (10%) in to the storehouse, that there may be food in my house. Test me in this," says the Lord Almighty, "and see if I will not throw open the floodgates of heaven and pour out so much blessing that you will not have room enough for it." (Malachi 3:10, NIV)

Tithing - giving 10% - is a proportional approach to giving. If you have much you give much and if you have little, you give little. 10% is the way in which Christians have shown their trust and dependence on God. In times of economic difficulties tithing is one sign of a faithful believer. This little tool may help you in determining how much you will give in 2022.

1. Find your weekly income in the left column.
2. The row will show you where you are in your giving. Maybe you will determine to grow a percent or two.
3. Our hope is that you challenge God with your faithfulness by tithing even under difficult circumstances.

Weekly Income	Below Tithe		Tithe	Beyond the Tithe	
	8.00%	9%	10%	12%	15%
